Fine Weather in Sight For Lacombe's Forty- Third Annual Fair

Livestock exhibits, a good midway, softball games, sports for the children and dances in the Pavilion will provide fun and entertainment for people of all ages when the forty-third annual Lacombe Fair gets under way tomorrow for its two-day run. Friday night a floor show will be presented during the dance in the Pavilion for the enjoyment of those attending.

Livestock exhibits are numerous, and the quality is high, as farmers compete for the many prizes being offered. A livestock parade will be held during the afternoon of the second day, when residents of the town and district will have an opportunity to see some of the best livestock raised in Central Alberta.

Koos competitions will be seen in the softball competitions which will be held on Friday for town teams and on Saturday for teams from country points. Cash prizes are being given for first and second places. Draws will be made Friday.

Acts of outstanding originality are planned for the floor show which will be presented in the Pavilion on Friday night during the intermission of the dance. The Doris Jordan Jamboree artists from Edmonton are presenting the 40-minute performance of novelty and dancing acts.

With fine weather forecast, it is expected that this year the Fair will go over the top.

Come out and support the Fair. You will not be disappointed.

LEAVES FOR ROCHESTER

Mrs. H. W. Schmidt, daughter of Mr. and Mrs. A. M. Campbell, who has been visiting her parents here for the past few weeks, left this morning (Thursday) for her home in Rochester, Minn.

This Week's Thought

Lift your hat to the past; take off your coat to the future.

Will Be Seen At Lacombe Fair Friday Night

The above picture depicts some of the dancing girls of the "Jordan Jamboree" in the "Night Floor Show" at the dance to be held in the Pavilion on Friday night.

Hospital Board Holds Meeting Monday Night

A total of 422 patient days was the turnover at the Lacombe and District Hospital during June. It was reported at the regular meeting of the Hospital Board held in the Town Office Monday night. This figure averages just over 14 patients for the 30 days of the month, and compares favorably with other months.

Cyril B. Bibby of Waskatchewan was appointed caretaker to succeed C. Jensen, who is leaving the employment of the Hospital at the end of this month. Mr. Bibby comes well recommended, and has boiler engineer certificates. Minor repairs to and enlargement of the low pressure boiler were sanctioned by the Board.

It was decided to re-plow the grounds surrounding the hospital and prepare the soil for seeding early next spring. Work will start on the semi-circular road-way almost immediately, with the first application of gravel expected to be spread within the next week. The sidewalk to the Hospital has been surveyed and is being graded at the present time. It is expected that actual work on the hard surfacing will commence next week.

A letter was received from the Village of Miramichi, expressing a desire on the part of that community to enter into an agreement with the Community Hospital whereby residents of Miramichi may take advantage of resident hospitalization rates. By signing this agreement, the Hospital Board receives a guarantee of payment of accounts from all Miramichi residents receiving hospitalization here.

No tenders were received for the old hospital building, and the Board decided to advertise the building for sale in Edmonton and Calgary newspapers.

CENTRAL ALBERTA WOOL GROWERS' SHIP WOOL

Two carloads of wool were shipped east by the Central Alberta Wool Growers' Association early this week. This wool was gathered last week at Lacombe, Ponoka, Wetaskiwin, Rimbey and Red Deer. The wool was shipped to the Canadian Co-operative Wool Growers' Association in Western Ontario.

Mrs. J. Skinner Dies at Coast

Mrs. J. D. Skinner, who with her husband settled in Lacombe in 1900, passed away in Vancouver last week. Funeral services were held at the coast city yesterday. Mrs. Skinner will be remembered by old-timers as her husband started the Western Globe here in 1901. Mr. and Mrs. Skinner were married in 1899, moving to Lacombe early in 1900, where three of their four girls were born. Mr. Skinner is at present publishing the Lac Ste. Anne Chronicle at Sanguin.

TO HOLD ADULT CLINICS

The Red Deer Full Time Health Clinic announces an adult clinic in the Town Hall, Lacombe, on Friday, July 22, by appointment. Further clinics will be held on August 4 and 18.

NEW ARRIVALS

Born at the Lacombe and District Community Hospital to Mr. and Mrs. W. J. McEwan on Sunday, July 10, a daughter.

White Gophers North of Town

White gophers—and we're not crazy! Joe Draper reports seeing a family of white gophers just out of town in the field directly north of the local school. The family consists of five young gophers, and Joe contends they are really white.

Well, if you don't believe it, go and see for yourself—they're still there.

Near Drowning at Gull Lake Sunday

Miss Rosie Fernie, 18-year-old daughter of Mr. and Mrs. Geo. Fernie of Gull Lake, narrowly escaped from drowning Sunday. A party of six were playing tag at the end of the pier when Miss Fernie was suddenly taken by a cramp, and sank into about four feet of water. Leslie Finch of Ponoka, a member of the party, brought her to the shore and artificial respiration was resorted to for a short time before Miss Fernie came to. Dr. N. H. Hyatt and F. J. Stewart of Lacombe and Dr. Crawford of Bentley gave medical attention.

Miss Fernie recovered quickly and is none the worse for her experience.

29 Babies Enter Contest Held At Morningside

Twenty-nine babies were entered in a baby show held under the auspices of the Morningside W.M.S. Auxiliary in the Morningside Church Hall on Thursday, July 7. A new feature for this district, the contest was in charge of Mrs. Wheeler, president of the society.

Dr. Edith Hamilton, Lacombe, was the examiner, and stated that the physical development of the babies was of a high calibre. B. St. Cameron, of the Cameron Studios, Lacombe, offered a large photo as a prize to the winning baby in each class. In addition, the Auxiliary presented a silver mug to each prize-winner, and a silver spoon to the second prize winners.

In the first class, one month to one year, a child of Mr. and Mrs. W. McGarvey of Ponoka won first place, and second went to Mr. and Mrs. Groom's baby of Ponoka.

In the second class, one year to two years, first prize went to Mr. and Mrs. R. W. Patterson's baby Joyce of College Heights, and second to the child of Mr. and Mrs. Cecil Bailey of Joffre.

Former Blackfalds Resident Dies

(From Our Own Correspondent)

BLACKFALDS.—The town and district were saddened over the week-end by the death of Harry Evans, principal of Coronation School. After lying in the Red Deer Hospital with pneumonia for one week, Mr. Evans passed away Thursday evening.

A large number attended the funeral, held in the United Church here on Sunday afternoon. Rev. Cochran of Coronation officiated. Mr. Palmer of Sylvan Lake sounded the last post over the flag-draped coffin.

Deepest sympathy is extended to his wife, the former Margaret Farewell, his daughter and three sons.

Mr. Evans was a former principal of Blackfalds School.

A. B. Haarstad to Head Livestock Feeders' Assoc.

A. B. Haarstad of Bentley was elected president of the Central Alberta Livestock Feeders' Association at a directors' meeting held Monday of this week. The meeting was held in the office of the secretary-treasurer, D. F. Chisholm. R. A. Van Slyke was elected president and D. F. Chisholm re-appointed as secretary-treasurer.

On Tuesday the annual meeting of the association was held and the board of directors for the year 1938-1939 elected. The new board consists of A. B. Haarstad, M. Madden, A. J. Anderson, W. N. Flewelling, R. A. Van Slyke, C. F. Damron, C. E. Sissons, E. E. Stephenson, Teddy May and W. Montgomery.

It was decided at the annual meeting that the association will be in the feeding operations of the association this year, and that the commission chargeable per head for the latest season be five cents.

The Department of Agriculture will be requested to furnish the association with the services of S. J. Henderson as supervisor at their earliest convenience. It was decided. Considerable discussion took place regarding the loss of decks, and it was finally decided that their loss be charged to profit and loss.

The financial statement was adopted by those present.

WINS IN G.M. SAFETY SLOGAN CONTEST

Some people may think thirteen an unlucky number, but not so with Mrs. Margaret Robinson, Lacombe, who won the 13th prize of \$35 in the General Motors Safety Slogan Contest, just recently concluded. The prize-winning slogan submitted by Mrs. Robinson was "Live and let others live, by careful driving."

It was the only slogan submitted by entries of Lacombe and district, which got in the prize money, and we congratulate Mrs. Robinson on successfully competing with thousands of others in the contest.

A letter and prize money was sent in under the dealer name of Perry W. Pratt.

Blackfalds Boy Struck By Car

BLACKFALDS.—Peter Lowe, 12-year-old son of Mr. and Mrs. R. Lowe of this district, was struck down by a car on the main highway through Blackfalds Saturday. The car, driving north, threw the boy heavily to the pavement. He was immediately rushed to the Community Hospital, Lacombe, where medical attention was given.

No serious injuries were discovered and he was discharged after the week-end, suffering only from a few bad bruises.

Peter was heading for Red Deer Saturday and stopped at a post office when the accident occurred. As he stepped out of the car, another car travelling north struck him, throwing him heavily onto the pavement.

TED MANN INJURED IN FALL FROM POLE

Patrolling the Lacombe-Red Deer telephone line, Ted Mann received a broken rib and bruises when he fell from one of the poles. He is progressing favorably and it is expected he will be back at work by the first of next week.

400 Attend Social Credit Meeting Held in Central Alberta Pavilion Thursday

Hon. E. C. Manning, G. T. MacLachlan,
Principal Speakers at Mass Meeting;
Banks and Financial Interests Rapped

"This Province will never have financial security until the monopoly of credit is taken from the financial interests and given to the people," declared Hon. E. C. Manning, addressing a crowd of approximately 400 in the Central Alberta Pavilion on Thursday night. Mr. Manning was the principal speaker of the evening and dealt with the present monetary system, explaining what steps Social Credit will take to correct a system which he referred to as "tyranny." G. T. MacLachlan, chairman Social Credit Board; Norman Jacques, M.P. for Wetaskiwin constituency; J. M. Marshall, M.P., Camrose, and D. B. MacMillan, local M.L.A., were other speakers.

"Democracy is in serious shape in Canada today," Mr. Manning said. "Everybody in Alberta wants economic security and freedom, but nobody can get it, and why not?" he questioned. He laid the blame for these ills on the "financial interests who monopolize the control of the credit of the people."

Saved the Farmers. The speaker credited the Provincial Government with saving the farmers and citizens of this Province from "being bled to death" by these financiers. Replying to critics of the present legislature, Mr. Manning laid the blame for non-payment of dividends to these financiers, who, he claimed, "threw monkey wrenches" into all our legislation. "You cannot have those dividends until you control your own credit, and every step towards this objective your Government has made has been blocked by these tyrannical financial interests," he emphasized.

Touching briefly on present world conditions, Mr. Manning asserted that "war is an inevitable consequence of the present financial system." In closing he re-affirmed that the Government "will continue to fight. We will go on toward our goal (control of credit for the people), meanwhile doing what we can to protect the citizens of this Province from the monied interests."

The meeting was orderly throughout, with no heckling, and a spontaneous outburst on the part of the audience.

Prophecies Fulfilled. G. T. MacLachlan prophesied ultimate victory over the banks. (Continued on Page Six)

Mr., Mrs. H. Brownlow Married Thirty Years

Harry A. Brownlow, popular dean of Reeves, of Brownlow's Landing, Gull Lake, together with Mrs. Brownlow, received the hearty congratulations of their many friends on Tuesday, July 12, the 30th anniversary of their wedding.

They were the first couple to be married in the Anglican Church at Rimbey when the Rev. L. H. Brownlow, an outstanding clergyman, Mr. Brownlow at that time was warden of the church and Mrs. Brownlow the organist. To create a friendly argument, "Harry" was told by Ye Editor that his (the Editor's) record beat him out by nearly two weeks. "Harry's" comeback was, "Yes, but that was my second wife." He had the newspaper man stumped there.

U.F.A. SUNDAY AT SPRUCEVILLE HALL

Next Sunday will be U.F.A. Sunday at Spruceville Hall. Service will be held at 2:30 p.m. in the hall and will be conducted by Rev. Dr. Hollinworth of Hillhurst. United Church, Calgary. Special music will be offered and the Ladies Aid District Band will be in attendance. Dr. Hollinworth is well known in this locality, and Spruceville is fortunate to obtain his services. It is hoped that Rev. A. L. Carr of Lacombe will also take part in the service. Everybody is cordially invited to attend this service and hear Dr. Hollinworth's message.

W. Adrian Leaves For the Coast

ALIX.—The employees of the Central Alberta Dairy Pool here gathered at the home of Mrs. Brookhart on Friday evening to participate in an evening together, in bidding Mr. and Mrs. W. Adrian farewell.

Mr. and Mrs. Adrian were presented with a travelling case from their friends, also a waffle iron from the staff. A very pleasant evening was spent by those present at the gathering.

Mr. and Mrs. Adrian, accompanied by their two children, left Saturday morning by motor for Vancouver, where they will take up residence.

Sincere regret is expressed by many at the departure of Mr. and Mrs. Adrian. They leave behind a host of friends in this community, all of whom will join in wishing them every comfort and happiness in their new home—Alix Free Press.

Local Rebekahs Install Alix Officers Monday

Seventeen Rebekahs from Lacombe travelled to Alix Monday night and installed the new officers of the Alix lodge for the next six months. Mrs. L. E. Reeves, district deputy president, and her staff of four installed the officers. The staff consisted of Mrs. B. J. Saunders, deputy president; Mrs. Walter Clark, deputy warden; Miss Opal Daner, organist; and Miss Eva Shaw, deputy inside guardian.

ERECTS NEW BARN SUNNY CREST.—Abe Saunders' barn is under construction. The foundation is now completed. Clayton Bradley is supervising the job, with Mr. Saunders and Bert as helpers.

ODDFELLOWS TO HOLD ANNUAL PICNIC

The Oddfellows' annual picnic will be held at Brewer's Beach on August 10. Basket lunch will be served. The Spruceville Band will be in attendance.

THURSDAY, JULY 14, 1938

Co-operation Would Help

TWO CITIZENS of this district who have travelled the Lacombe-Bentley highway recently, the deplorable state of that road is evident. The highway is full of potholes, and in many places the bed of the road itself is being softened and destroyed. The Municipal District of Lorne sent a delegation to Edmonton earlier this spring in an endeavor to obtain action from the Provincial Government for the re-gravelling of this road. No action, however, has been taken by the Provincial Government.

The road was first built in 1929 and re-gravelled in 1934. Since that time little if any maintenance work has been done on the highway. The money spent on the road is being rapidly lost as the bed of the highway deteriorates from lack of care. The road is well travelled. It provides a convenience for the residents of this entire district as well as those from outside the district, and still the Provincial Government does nothing towards re-gravelling the highway.

The Town of Lacombe and the Municipal District of Crownwold would like to work with the Municipal District of Lorne to bring the condition of this road to the attention of the proper authorities in Edmonton, and endeavor to secure the much needed action.

Public Money Wasted

THE decision of the Privy Council against the unconstitutionality of the Social Credit acts is another indication of the irresponsibility of our present Provincial Government in its policies and administration. Costing the people of the Province a "pretty penny," our so-called legislators seem to go from bad to worse. The decision shows their utter incompetence, legal and otherwise, when they allow bills enacted (which are dead by their own actions before they start out), to go before the highest tribunal in the land. It is a non-sensical waste of public money. In line with their usual ability, we wonder if the old gag will again be used that the Privy Council "was bought out by the big financial interests," which indeed some people would be glib enough to swallow. The Privy Council's decision not to express any opinion on a subject "which no longer is practical in any sense" sums up in pointed plain language, the foolishness of it all. The press "gag" law is dead. Long live the freedom of the press!

A New Leader Elected

HON. DR. ROBERT JAMES MANION has been elected as leader of the Conservative Party in Canada. His is a hard task. It is now his duty to combine and unite the Conservative Party and weld into a single unit a force which has been split and disorganized in the not-too-distant past. At the same time as electing a new leader the newly named National Conservative convention drew up the platform for their party at the coming elections. The platform makes a big issue of Empire Loyalty and of Canada's duty in the British Empire as a member of the British Commonwealth of Nations.

The platform and the new leader has been set. It is now the duty of Dr. Manion to present that platform to the people in a convincing manner.

Many Canadians may not agree with the newly devised platform; still others may not agree with the leader or candidates of the party, but, as Canadians, citizens of our country will do well to listen to Dr. Manion speak and study the Conservative platform, so that they might vote intelligently at the next election. Only by careful weighing of platforms by the citizens of the country is true democracy attained.

Markets and War - or Peace

(Christian Science Monitor)

M. R. GEORGE LANSBURY is quite right in the contention he has put forward in the British House of Commons to the effect that the problem of relieving world tension is largely one of economics. Actual warfare, it is true, may arise from causes other than physical want. But need of markets has been a real if mistaken incentive to aggression.

In any event, to bring hungry peoples and unmarketable crops into closer relationship with one another can only do good, whether it be tariffs, quotas, monetary restrictions, or transport or marketing deficiencies that are now keeping them apart.

Mr. Paul Van Zeeland's report making practical suggestions for such reform deserves therefore all the attention which Mr. Lansbury declares it should receive. Part of that attention, however, should be directed to the possibility of harmonizing that program with the reciprocal trade plan with which Mr. Van Zeeland has succeeded in bringing markets and producers into profitable contact in a large area of world trade.

Through the Eyes of a Country Woman

By BRIDGET

While reading a newspaper recently I came upon an advertisement for a beauty make. Ordinarily I would not have read this advertisement at all, but the first line stated that it did not claim to make all women beautiful. The audacity of this statement, which is of necessity a truth, made me read the rest just to see if it contained any other unorthodox remarks. It is extraordinary what a lot there is in presenting facts to the general populace. Understanding the psychology of the masses is an art. Fundamentally it is the knowledge of the means by which you can "sell" your ideas to the people.

Everybody has certain "pobias," but in the main does not realize them. Take, for instance, Socialistic or Communist ideas, and tell a bunch of people about them under their own label. The majority of these people would promptly repudiate them, because they do not subscribe to Communism or Socialism. Take the same audience, and explain the same principles without a label, and by the greater portion will enthusiastically accept them.

It is the same with most things that govern our lives and thoughts. Our minds are rather like card-indexes, every creed, and most actions, duly labelled. Therefore, to reach us successfully, a purveyor of new ideas has to learn first how to "sell" that idea. Given the brain of a showman and the technique of a "barker," some of the most outrageous ideas can be "put across."

Or, let us take, for instance, a store window; one which is conservatively decorated will be looked at with barely a glance by the majority, but put one startling object in a window and people will pause and wonder about it. One store in London substituted for its dummy, supposedly reading its paper, in a display of furniture, a living man doing the same thing. The crowd around the window became so dense that police had to be called to clear the sidewalk and roadway. The sum total of this reasoning seems to be that you can sell anyone any idea IF you know how to wrap it up. Rather dangerous, isn't it?

There was an interesting article on this subject issued by The Institute for Propaganda Analysis, and reprinted in the July issue of The Alberta School Trustee. It pointed out that if we examine ourselves very searchingly we may discover that we are "unconscious" Fascists or Communists, and get quite a shock. It suggested a list of this would be to make a list of questions covering present-day problems, and get the reaction of a group of very diverse people, and, for one, can well believe that the summing-up would be very illuminating.

It seems that the problem caused by trading on mass psychology is much more dangerous in a new land, where ideas are in the formative stages, and a tradition is in the making. A catch phrase may be the step-ladder by which an otherwise obscure cause will capture the popular fancy. Take, for instance, the experience of Mr. Upton Sinclair. He ran for years as a Socialist, and could only get less than 60,000 votes. In 1934 he campaigned as a Democrat, with exactly the same ideas and theories, and received close on a million votes. The mass could not accept a Socialistic label, but could accept the same ideas, wrapped up differently. At the same time he coined a phrase, "End Poverty in California," the initial letters of which spelled "E.P.I.C." Now, epic suggests to the masses the great adventures of a great crusade, the legendary heroism of some saga, and with that, how easy to capture the enthusiasm and visionary dreams of young and old alike. Isn't it rather like the phrases that have caught the imagination of Albertans recently? "Poverty in the midst of Plenty"; "Cultural Heritage"; "Basic Dividends"; "Fifty Big Shots," and the like. The ideas and theories do not stop to question slogans, as long as they sound fine and heroic they are swallowed whole. It is not wholly the fault of the masses, but it is a great understanding of mass psychology that makes these extraordinary reversals of opinion possible.

The saying that "a rose by any other name would smell as sweet" coined by William Shakespeare many; many years ago, is a dangerous half-truth when used in a proverbial sense. Our reactions to anything, or anybody, are strongly influenced by the words used to describe them. It is this understanding of mass psychology that makes Hitler and Mussolini possible in this age of free thinking and better education. The power of thinking has not been taken from the people, but the gift of thinking deeply, and individually, has been cloyed by beautiful sounding phrases, and golden impractical dreams. This collective thinking should stop, and we should do a little genuine thinking for ourselves, by ourselves, and our findings might prove very interesting, and of great value to ourselves, and to the community in which we live.

Collectivism is not the stuff of which progress is made; but if individuals will take themselves in hand, and do their own thinking, a wiser and more efficient generation will arise, and put Canada in the place to which she is entitled by virtue of her strategic position and natural assets.

LAUGH AND THE WORLD LAUGHS WITH YOU . . .

In a restaurant a fresh soft-boiled egg was ordered by a guest. Upon its arrival he saw written upon the shell, "I am a lonely girl and would like to marry. Kindly write to —"

The gentleman hastened to answer the message as he was unmarried, and thought it would be an adventure to meet his future wife in this way.

The answer came in due course, and it read as follows: "Thank you for your friendly letter. I am sorry, but I have been married for the last half year."

THE BAND QUESTION

Dear Sir,—May we have space in your paper in order to clear up a misunderstanding regarding the attitude of the Lacombe District Band and playing at the Fair?

The question has been asked—who is this Band that they should be allowed to hold up the Fair Board? Well, up until two weeks ago, they were 18 farmers who are partial to music and who felt a band would be an asset to the district. With this in mind, they have travelled from 10 to 30 miles to practice an average of three times a month for the past eight years, and have played an any and every occasion on which their services have been requested, without any remuneration. In fact any money received during that time has been used for uniforms and music and the band is sadly short on music.

The Band has played for the Fair for \$15 on several occasions. Last year it asked for \$30, as it was necessary to hire some outside players. The rain spoiled the music outside, but that did not relieve expenses in getting the band through, which was about \$20 and \$25 was accepted. This year the Band reasoned that:

1. The band has been increased to 20 players—all men who live and work in the town and district and spend their money locally.
2. The Fair is the one occasion on which it is possible to pay the Band more than actual expenses—providing that the weather is fine.
3. The Fair is strictly a Lacombe and District "Booster."

We believe the Lacombe and District Band deserves "Booster" status. On these premises the Band offered to play for \$50, with the intention of buying some much-needed music in order to be able to give better service on future occasions. It does not feel that \$50 is exorbitant but also does not wish to quarrel with the Fair Board's decision to not hire it. The Board is running the Fair and if they feel that our Band is a luxury they cannot afford, that is that.

It is certainly hoped there will be no further hard feelings over the matter.

"A BANDSMAN."

High School Dance Held June 30

Approximately one hundred attended the annual summer reunion frolic of the Lacombe High School on Thursday evening, June 30. The large assembly room was arranged cabaret style with tables and chairs about the walls. The decorations were of green and gold, the school colors, and branches of green leaves arranged on the walls lent a fresh out-of-door aspect to the occasion.

Acting as waitresses were Margaret DeLong, Winona Saunders, Joan Halton and Marjorie Ellis, Grade 8 students. Novelty numbers were included in the program and an exhibition dance was given by Jean and Robert George of Wetaskiwin. The prize waltz was won by Phyllis McCaugherty and Max Gibson, while those participating in the musical steeplechase were Tom Ford, Clara Saunders, Betty Stewart, and Don McCormick. By request, Betty Wilks and Margaret Watt sang a duet, "Sympathy."

Miss Irene Smith, High School teacher here for the past several years, who has accepted a position in Calgary, was presented by the pupils with a lovely chronograph lamp. Sheila Edgington making the presentation.

UNITED CHURCH CAMP AT MERIDIAN BEACH

About fifty 'teen age girls are in camp this week at Meridian Beach, the site of the United Church of Canada for the Presbytery of Lacombe. Wetaskiwin, Clive, Haskin, Blackfalds, Lacombe, Ponoka, Bentley, Fairview, Mornington and Rimbey are all well represented. Miss Jessie Hay of Lacombe is the efficient director of the Camp, assisted by five other competent Girl Leaders.

The 'teen age boys will begin their camp in the same place on July 12 as soon as the girls leave. Rev. G. D. Young of Ponoka will be in charge of the Boys' Camp, assisted by Rev. J. A. Perrie of Mornington and Rev. W. J. Huston of Rimbey, and other leaders.

Gull Lake

(From Our Own Correspondent)

GULL LAKE.—The annual school picnic was held at Lakeside Camp (Ebeling's Beach) on July 1. About 70 grown-ups and children sat down at the tables, well loaded with many delicious dishes. The sports included two softball games and races. The game, Married Men versus Single Men, was a close contest. The latter won by three runs. During supper hour Mr. Dowling was presented with a thermos kit, a gift from his pupils.

The High School Re-Union was attended by Misses Flo and Nancy Sheehan and Messrs. Max Gibson, Lea Hutton, George and Ted Marshall.

Turville School held its annual school picnic at Ebeling's Beach on June 30. The sports included a game with Gull Lake School team. Turville was the winner by a good margin.

The annual picnic of the Ladies' Searchlight Club was held on Friday, July 8. The attendance was good, with favorable weather. There were sports, such as races, peanut scramble and softball, which were all enjoyed. Following the dinner a presentation of a tea set was made to Mrs. Noel Woody on behalf of the club.

Leaves On Motor Trip.—Mr. and Mrs. Harry Hansen and family left recently for a motor trip to the U.S., where they will visit friends and relatives in Washington.

The road south of Lakeside Camp is getting some gravel. Half of the \$100 spent on the project was supplied by ratepayers living south of the old highway.

L. Cabelka has a new tractor and expects to do some breaking on the home place, all men who live and work in the town and district and spend their money locally.

Mr. and Mrs. R. M. Gibson were guests Sunday at the home of Mr. and Mrs. Otto Simons of the Simons district.

There were crowds of people at the beaches Sunday, the majority being at Ebeling's Beach. Mr. and Mrs. Esco Moore left recently on a motor trip to the U.S. on a visit with their daughters, Pauline and Dorothy, at Portland.

Mr. and Mrs. Ed Hansen and Donald left Saturday, June 30, for South Dakota, where they will visit with relatives.

A number from this district attended the "house warming" at the home of Noel (Bud) Woody in the Spruceville district. Mr. and Mrs. Ned Woody, grandparents of Mr. Woody, entertained the crowd with some old favorites. Others who took part were Lullie and John Marshall, Lullie and John Marshall, Lullie and John Marshall.

Mr. and Mrs. Will Summerville were visitors at Ebeling's Beach on Sunday. The Crossfield girls C.G.L.T. team took a beating at the hands of the local girls Thursday by a 14-29 score. The local girls practice on Tuesday and Thursday nights. There will be a game on Sunday afternoon. Lincoln boys will play Jackfish the same day at 2:30.

All true happiness is both a consequence and a cause of life; it is a sign of its vigor, and a source of its continuance.

STOCKS OF POTATOES

Farm stocks of potatoes in Canada at March 31, 1938, have been estimated to amount to 13,875,000 cwt., as compared with 10,482,000 wt. a year ago, an increase of almost 3,400,000 cwt. This increase is well distributed over the provinces of New Brunswick, Quebec, Ontario, Manitoba, Alberta and British Columbia, where the 1937 production was greater than in 1936.

Alberta Scrip to Be Issued Again?

By T. B. WINDROSS

EDMONTON—Alberta still is waiting for some announcement of a new economic and financial system. Reports that the Government is planning a new issue of scrip, only slightly different from that which failed two years ago, grew stronger last week, and at the same time some action still was being awaited on establishment of credit unions under the act passed a few months ago. There has been no sign yet of real progress toward unions, but it has become obvious to observers here, and to international experts on credit unions, if not to the Alberta Government itself, that such unions cannot possibly take the place of banks.

The world's outstanding founder expert and publicist on credit unions is Roy F. Bergengren, and his latest book, *Sane Emerges*, has just gone into its third edition. Mr. Bergengren states flatly that credit unions do not and cannot replace banks, and that on the contrary they do all their business with banks. They cause no loss of business whatsoever to banks, he says, because the unions deal only in small savings and small loans which otherwise would not be made at all.

Stormy Meeting at Okotoks During the past week, Premier Aberhart, for the first time since he assumed office as the head of the Social Credit Government, met his match in a public meeting at Okotoks when his outspoken critics howled him down and forced him to stop speaking. Comment in Edmonton, both inside Social Credit circles and among opponents, agreed that the visit of Mr. Aberhart in his own riding can now be chided as a blunder. The Premier, on his return to Edmonton, declared his critics at Okotoks were a bunch of "howlers."

Sunny Crest Specs

By SBY

SUNNY CREST.—Mrs. Powers has her daughter Elsie home for a few days' visit with her. Quite a few attended the Spruceville picnic on Tuesday at Ebbling's Beach.

We're sorry to hear that our teacher, Miss C. Carter, has decided not to remain with us for another year. She expects to take a Bentley school.

When the news went to press last week, Mr. and Mrs. Frank Barr were expecting relatives to arrive last week, but unavoidable sickness arose and the visit has been postponed.

Karl Kammlah had to go back to the hospital and is expected to be operated on this week-end.

Honors in Music

Word was received from Toronto that Miss C. Carter, who has passed with honors in the Intermediate grade for piano, held at Lacombe on June 21 under Ed. McGee. Frankie has been under the instruction of her father, Wm. Cairns, for the past few years. Miss Carter was naturally "licked pink" with his daughter's success.

There are around 75 girls at the Girls' Camp at McLaurin Beach, under Miss Connie Carter, leader.

Lovers of flowers would be well repaid by a visit to Mr. Gottschalk's garden, which is now a mass of bloom.

Mirror

(From Our Own Correspondent)

MIRROR.—Miss Myrtle and Phyllis Jackson of Wilkie, Sask., are visiting at the home of their aunt and uncle, Mr. and Mrs. E. Jackson.

Leslie Smathers and Don Bullas have returned from a very successful fishing trip at Pine Lake.

The Mirror Girl Guides have returned from a successful camp at Alix Beach.

Mrs. J. McLean and her two nieces, Winifred and Dorothy Ross, and Mrs. C. Cavanaugh and Lorraine, are attending the Calgary Stampede.

N. Devereaux is spending a few days in Calgary on business. Mr. and Mrs. C. Reid and family spent Sunday at Sylvan Lake.

Addition to School The new addition to the south side of the school is under construction.

Mr. and Mrs. J. Naylor and family, Mr. and Mrs. F. Smathers and family and Mr. and Mrs.

Blackfalds

(From Our Own Correspondent)

BLACKFALDS.—Mrs. Warren and her son Frank spent the week-end in Edmonton, where the latter consulted an eye specialist.

Friends of Mrs. Capron will be interested to know that to all outward appearances she seems to be showing signs of improvement. Her daughter Georgie, who was unable to come sooner due to illness, arrived from Spokane on Friday night. Her son Shuman returned to his work in the southern part of the Province on Monday morning.

We are glad to see Mrs. Mathias Sr., who was seriously ill in June, is now able to be up and about again. Her daughter, Mrs. Thompson of Coronation, returned to her home a week ago after staying with her mother through the latter's illness. She came along with a party from Coronation who were here to attend the late Harry Evans' funeral.

Miss Nettie Howe left Tuesday to attend Summer School in Edmonton. Other local teachers who are spending their vacations here are Miss Henrietta Millett from Peace River, and Gordon Mathias from Chipman.

Miss Nancy Moss arrived home on Friday from the Sanatorium to spend her holidays with her mother.

Dorothy Russell is now employed at the Edgar home in the Crossroads district.

Mrs. Ben Lawton of Edmonton visited with Miss Capron one day last week.

Mr. and Mrs. Walker spent Sunday at Stettler, visiting their daughter, Elsie, now employed at the hospital there.

Mr. and Mrs. Farewell and Agnes returned last week from Peace River. They brought Helen back with them.

CHRISTIAN SCIENCE

At all Christian Science churches next Sunday, the subject of the Lesson-Sermon will be "Life." One of the Scriptural quotations in the Lesson-Sermon is Matthew 7:14: "Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it." One of the correlative passages from "Science and Health" is "The Key to the Scriptures" by Mary Baker Eddy, is "The way is straight and narrow, which leads to the understanding that God is the only Life. It is a warfare with the flesh, which we must conquer sin, sickness, and death, either here or hereafter—certainly before we can reach the goal of Spirit, or life in God" (p. 324).

Mrs. Malone was proudly showing her visitor a new hall-stand she had purchased, when a little boy came in and forgot to remove his cap. Thinking to teach him a lesson, she said:

"Tommy, what did I buy that hat-stand for?"

"Seven and sixpence," answered Tommy promptly, "but you said I had not to tell anyone."

Bank of Montreal Reports Good Crop Conditions

The latest crop report issued by the head office of the Bank of Montreal strikes an optimistic note regarding the wheat crop this year. Rain is needed in some parts of Western Canada, but on the whole, crops in the three prairie provinces are well ahead of the past five-year average.

The report pertaining to the three western provinces is as follows:

Alberta—Favorable weather has promoted rapid growth and the condition of the crops generally is satisfactory, although rain is needed badly in the northwest, including the Peace River district, and in the northeast districts, also in some areas in the extreme south. In other districts there is sufficient moisture so far, but general rains are required soon. Grasshoppers are active in central and southern areas, but damage has been slight. Pasture is good. Sugar beets are growing well.

Saskatchewan—General crop conditions continue satisfactory. Wheat is standing well and coarse grains have germinated evenly. Lack of moisture in the northern districts, and at scattered points in the southwest and extreme southeast, has caused some damage to wheat crop and good rains are needed immediately to check further deterioration. Grasshoppers are numerous and cutworms and wireworms have injured the crops in many districts.

Manitoba—Crops generally are making satisfactory progress, particularly in the west-central and northwestern areas. The wheat plant is about eight inches in height and standing well. In the southern part of the Province, crops are in need of moisture and good rains are now required to prevent deterioration. Pastures are in good condition.

NAVY LEAGUE DOES VALUABLE WORK

Rallying to support the Navy League of Canada in its work of assisting widows and orphans of men of the Merchant Marine and their dependents, maintaining sailors' homes and institutions in large Canadian ports from coast to coast and looking after the welfare of the seamen when ashore; training boys and young men and helping to make better Canadian citizens of them, the citizens of Lacombe subscribed \$21 to this cause in a recent campaign here conducted by Fred Cooke, organizer of the Alberta Division, Calgary.

GOOD BOOSTERS

Coleman Journal: Cast your eyes around and you'll find that towns in which a service club or clubs are established invariably carry an air of energy, enterprise and progress. It is because business men meet once a week and plan community activities in which everyone benefits, and life is made just a little more interesting and more worth living. After all, a live town is that way because it has live business men; and it is dead when each does his own way and cares not if the other fellow sinks or swims.

Weddings**LAMM—WINTER**

St. Stephen's Roman Catholic Church, Lacombe, was the scene on Thursday, July 7, of a wedding of interest in the Lacombe district and in Calgary circles, when Winifred Mary Winter, only daughter of Mrs. B. H. Winter of Lacombe and the late Mr. Presgrave B. Winter, was united in marriage to Mr. Ernest R. Lamm, son of Mrs. H. Lamm of Lamm, Switzerland, and the late Mr. H. Lamm.

Rev. Father Harrison performed the ceremony, which took place at 10:30 a.m. before the altar, which was banked with white, pink and red roses, peonies and ferns. An effective arrangement of baskets and vases of flowers about the church provided a beautiful setting for the service. Given in marriage by her brother, Mr. Victor Winter, the bride was a charming picture in her floor-length gown of white net over tulle, fashioned on filigree lines with bolero jacket and with Peter Pan collar and giraffe of tulle. Her three-quarter length veil of silk net hung from a white off-the-face turban. She wore silver slippers and long white gloves and carried a shower bouquet of Tallman roses.

Miss Esther Isenby of Calgary, the bride's attendant, wore a gown of melon pink net over tulle, fashioned on similar lines to that of the bride; a Juliet cap formed of pink net and pearls, pink net mitts and white slippers. She carried pink and white carnations. In a natty sailor suit, young Margaret Winter, nephew of the bride, acted as ring bearer. The best man was Mr. Joseph Uebell of Wetaskiwin, and two brothers of the bride, Mr. Lawrence Winter and Mr. Hubert Winter, were ushers.

For the service, Mrs. Winter, mother of the bride, chose a mauve georgette gown made with bolero jacket of figured black net, with which she wore white accessories and a corsage of tea roses. The organist was Miss Florence Chretien and Mrs. F. Chretien sang "Ave Verum." Mr. Lawrence Winter sang "O Paradise" at the offertory and during the singing of the register he sang "Because."

A wedding breakfast for immediate relatives was served following the ceremony, and during the afternoon a reception was held at the home of the bride's mother, where floral decorations were carried out in a scheme of pink and white.

Centered by a three-tier wedding cake, the bride's table was very attractive with white streamers suspended to the four corners from a white bell.

Pouring tea at the reception were Mrs. P. Ballantine, Mrs. W. T. Hynes and Mrs. E. Fitzpatrick, and others assisting were Mrs. W. MacKenzie, Mrs. F. Chretien, Mrs. V. Winter of Clive, Mrs. Thomas Allison of Chicago, Mrs. Bennett MacDonald of Clive, Miss Doris Ballantine and Miss Helen Trame.

After the reception Mr. and Mrs. Lamm left by motor for Banff, where they will spend their honeymoon. For her going-away costume the bride wore a smart beige crepe with bolero jacket and brown accessories. On their return they will reside at 811 Thirteenth Avenue West, Calgary.

Before her marriage Mrs. Lamm, who is one of Lacombe's native daughters, had been teaching in the Calgary Separate School for a number of years, and several showers given in her honor both in Calgary and Lacombe attested to her popularity. Mr. Lamm is the proprietor of the Calgary Church Supply Company.

WRIGHT—CLUCHEY

A quiet wedding was solemnized at the Baptist Manse, Red Deer, on Thursday, July 7, when Miss Eva Cluchey of Vancouver, B.C., became the bride of Mr. Harry George Wright of Lacombe. The bride was attended by her sister, Mrs. Wm. Wright of Lacombe, while the groom was attended by his brother, Mr. Wm. Wright. The newly married couple will reside for the present with the groom's brother at Lakeside.

GRIMES—GRAY

A very pretty wedding was solemnized at St. Andrew's United Church Manse, Lacombe, on Wednesday, July 6, at 3:30 p.m., when Katherine Isabella, daughter of Mr. and Mrs. E. M. Gray of Alix, was united in marriage to Mr. Erle Eugene Grimes, only son of Mr. and Mrs. A. L. Grimes of Lacombe. Rev. A. L. Carr performed the ceremony in the presence of many immediate relatives of the bridal couple.

The bride chose for her wedding a gown of lovely white tulle with a veil held in place by a coronet of lilies of the valley. She carried a bouquet of pale pink carnations. Her sister, Miss Mary Gray, who attended as bridesmaid, wore rose pink satin with large picture hat and

carried white carnations. Mr. Matt Brooker of Alix was the best man. Attending the wedding were Mr. and Mrs. A. Grimes, the groom's parents, and daughter Verne, the occasion also being the latter's fourth birthday. Mrs. E. M. Gray and Miss Maudie Gray, mother and sister of the bride, and Mrs. Brooker.

Following the ceremony, Mr. and Mrs. Grimes left by bus for the South for a wedding trip. On their return they will reside on the groom's farm near Alix. Until her marriage Mrs. Grimes was a school teacher in the district.

EDMONTON EXHIBITION

JUBILEE FLASHES
Manager Abbott has recently authorized the announcement that the Horse Shoe Pitching Tournament will again be a feature of the annual summer fair. But, with this change, that in response to popular demand, two events are being made open for the use of hooked shoes.

It is distinctly understood that the Dominion of Canada Horse Shoe Pitching Association (under whose rules the Edmonton Exhibition Tournament will be held) requires the use of official shoes, and the Edmonton Exhibition Association will supply these official shoes for all save the two events in which players may use their own hooked shoes. These two events, of course, will not qualify the participants for Dominion Championships. Will J. Ross will again supervise the Horse Shoe Pitching Tournament, and prize list and entry forms may be secured from the Edmonton Exhibition office.

The managers of would like to get in touch with persons who attended Edmonton's first Exhibition in 1912. If you know of anyone, please send their name and present address at once to Manager Abbott, Edmonton Exhibition.

SERVICE in the implement field is no mere appendage or fancy trimming.

Time and timeliness are the essence of success in most farming operations. Great loss may be sustained by the farmer, during seeding and harvesting, through machine breakdowns caused by wear and accidents, if parts are not readily available. It is then, that promptness in securing parts has a definite money value.

Massey-Harris has always taken a pride in the manner in which it has rendered Parts service. Fit and quality may be taken for granted, for replacement parts are identical with the originals. Its extensive selling organization, with local dealers in practically every town across Canada, brings this service within easy reach of every farmer.

No matter, too, how old the machine bearing the name "Massey-Harris" may be, spare parts can always be obtained for it.

● Last Spring a farmer ordered a small part for a drill he bought 30 years ago. He demanded for many years for this part reached the point becoming destroyed. To make a new pattern and part cost \$25.00, an expenditure willingly undertaken to preserve the Company's long and enviable record for service—through the part sold to the farmer for only 15c.

A History of the Lacombe
Golf and Country Club

By JACK McCAUGHERTY

With the start of the tenth season, the executive of the Lacombe Golf and Country Club took the active side and more advancement was instituted to improve the course. It was decided that a new parking lot would be made north of the club house and as this would necessitate a new driveway, arrangements were made whereby a 20-foot strip of land was bought on the west side of the course; this space was moulded into a road to the spot behind the clubhouse. The parking lot was cleared and fences were erected along the new zone, as plans for beautifying the grounds around the clubhouse were reviewed. Driving mats were laid on the No. 9 tee for a trial.

In this year of 1934, David Hay was elected president, F. O. Vickerson vice-president and G. T. Jackson was returned as secretary-treasurer. There was considerable discussion as to whether the fees would be left the same as the previous years, and it was finally decided they be made the same. James Stock was employed as caretaker.

New Hole Started

Deciding that something had to be done to overcome the "pile-up" of players on the then No. 2 short hole, a new fairway between the then No. 3 and No. 4 was begun. The spot was cleared for the 115-yard hole in readiness for further work the following year.

The fifth annual tournament was held on July 18 and 19, and with the fine weather of a perfect Alberta day, 64 entrants turned out in rivalry for the championship. Players from Calgary, Edmonton, Coronation, Red Deer, Hughenden, Bentley, Gull Lake, Bashaw, Veteran, Bowden, Innisfail, Stettler, Medicine Hat, Wetaskiwin, Carstairs, Castor and Camrose attended, as the course was in first-class shape.

Although Lyman Weliver of Red Deer made himself champion by defeating Kela McMardo of Wetaskiwin six and five with three under par golf, Charlie Grant of Calgary put up stiff opposition and took the qualifying round in the play-off. Both Weliver and Grant carded four-under-par 68's. Harry Teare of Lacombe carried off both the approaching and putting competition and the long driving.

As the season drew to a close the last visitor to our course registered on November 11, the first having been here on May 15.

400 Attend Social Credit Meeting Held in Central Alberta Pavilion Thursday

(Continued from Page One)

In his address, he rapped the Supreme Court, which he decried, but set himself up as, and usurped the power of the Government of this country. He dealt with the actions of the present Government "to alleviate the immediate needs of the people," and declared "this Government has never failed to get what it thought best to get." He defended the Government's actions in increasing taxation, stating it was necessary to take this step in order to meet obligations without borrowing further money.

"The banks are driving to shakish true responsible government," the speaker emphasized, as he attacked these institutions and defended the Government's determination to "collect taxes from those who can afford to pay—namely the banks."

Norman Jacques and J. M. Marshall, both recently returned from Ottawa, dwelt briefly on the "inactivity and inactivity of the Federal Government." "The two old line parties are loyal—they have professed their loyalty; but they are loyal to the moneyed interests—not to the people or the country," Mr. Jacques said. Mr. Marshall professed his belief in Social Credit by stating "there is no other solution to our ills than Social Credit," and "the entire world appreciates today the wonderful fight going on in Alberta."

D. B. MacMillan acted as chairman of the meeting, and during his short address, maintained that "all we need is control of our own credit. It appears to be ultra vires to do anything for the people." "We have not forgotten our promises of 1935," he protested, in answering critics of the Government, and declared that the Government would fight to the finish.

T. F. Roberts, president of the Lacombe constituency Social Credit Group, also appeared on the platform. A silver collection was taken during the meeting.

Spruceville

(From Our Own Correspondent)

SPRUCEVILLE—Mr. and Mrs. Walter Barnes motored to Calgary Monday to purchase a lighting plant for their farm. They were accompanied by John Johnson and returned on Saturday.

Mr. and Mrs. J. M. Sherrer and Mrs. P. Young of Seattle were visitors at the homes of Mrs. Hug and Mrs. Gottschlich. Wednesday evening Mr. and Mrs. E. Gottschlich entertained the Seattle visitors, also Mr. and Mrs. Hug and the latter's sister, Mrs. Schalk of Illinois.

Mr. and Mrs. Bob Boden were visitors to the Calgary Stampede this week.

Miss Phyllis Rice, accompanied by her sister Dorothy, left Tuesday for the States. They propose going by way of Banff, where they will stay for a day. They are planning spending a week or two with Mr. and Mrs. Ed. Stoll, late of this district. Miss Phyllis Rice has accepted the post of teacher at the Chapel School District, near Bentley, for the ensuing year.

Norman Stewart of the Fairview district is helping Mr. Heath now.

Visitor to Banff

Mrs. Heath, Sr., is at Banff, touring in the vicinity.

A party, consisting of the Fleishman girls and the Parker sisters, Molly Heath and Lillian Boulter, have taken a cottage at the lake for a week.

U.F.A. Sunday will be observed at Spruceville Hall on Sunday, July 17. Dr. Hollingsworth will address the congregation. Locals in the neighborhood should endeavor to be represented—all visitors will be very welcome.

The regular meeting of the U.F.W.A. will be held at the home of Mrs. J. B. Crooker on Wednesday, July 20.

The Juniors of this district had two successful evenings with their play last week at Iowalta and Forshee. Both places were crowded.

The Spruceville Community picnic was not so well attended as usual but there was a nice turn-out for the sports, which were very novel and amusing.

Mrs. English left by bus Sunday for Calgary, where she is staying with her daughter, Mrs. Dancocks.

Fact and Fiction...

By ART

Recently I came across the March, 1907, issue of an American magazine, which contained a well illustrated review of the plays which were playing on Broadway at that time, and it proved very interesting. Guy Bates Post had just completed a successful run in "The Virginian"; Frances Starr was doing "Rose of the Rancho"; the one and only Maude Adams was the

star of "Peter Pan"; Doris Kenne took the part of the unhappy heroine in "The Hypocrites"; and John Drew was the featured artist of "His House in Order."

The magazine also printed a splendid portrait of the late Lillian Russell, then in the heyday of her career on the stage, and judging by this picture, it will be many a day before any of the current screen beauties surpass the sheer natural loveliness of the "Jersey Lily."

The legitimate stage has almost dropped from sight with the coming of talking pictures, yet there are many of us today who would give almost anything to see and hear any one of the splendid productions mentioned in that old magazine.

Every once in a while we run across a little literary gem—a small piece of prose or poetry which fairly sparkles with its brilliance. Here is a clipping from a trade paper which I came across some time ago; it was first printed in the New Orleans Picayune, June 28, 1837, the year that paper was established. Headed "A Stranger to the Truth," it was as follows:

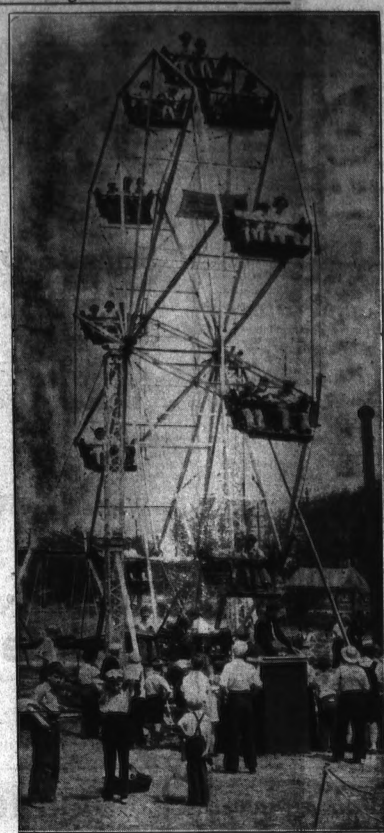

"He is, without exception, the most notorious liar in all Mississippi. He lies out of every pore in his skin. Whether he is sleeping or walking, on foot or on horseback, at church or in the grog shop, talking with his neighbors or writing for the news papers, a multitudinous swarm of lies, visible, palpable and tangible, are buzzing and settling around him, like flies around a horse in August."

There is an aristocracy of money, but it amounts to nothing; there is an aristocracy of brains that counts somewhat; but the real aristocracy is the aristocracy of the heart—John W. Riddle.

FOR BETTER FURS

The four main enemies of fine furs, a furrier recently told a home economics group, are these: heat, moisture, and moths.

Coming to the Lacombe Fair

ate on the Midway at the Lacombe Fair the next two days.

The World of Wheat

"Seed time and harvest—shall not cease," the Bible tells us.

In this good Book are found a surprising number of maxims and precepts about agriculture, setting forth the advantages of the use of good seed, of proper cultivation of the soil, of keeping weeds down and so forth. In fact it is not too much to say that if a farmer today were to operate according to the many injunctions in the Bible, that he would simply be carrying out the advice given by the most modern agricultural authorities—and yet these biblical injunctions were written thousands of years ago.

This year, 1938, is the 400th anniversary of the first printing of the Great English Bible which took place in 1538. This was the first complete Bible in the English language that was authorized by ecclesiastical authorities for use in English churches, and it was only displaced in 1610 by that very miracle of English literature, the revised King James or Authorized Version as we have it today.

No doubt when the promise was made to us in Genesis that "Seed time and harvest shall not cease," it was based upon the assumption that farmers would carry out the good agricultural practices as advised in the ancient and good Books.

Following factors have tended to raise price:—

Rust spreading in the U.S. and injury apparent in threshing returns; frost damage greater than expected; More precipitation is needed over Canadian and American spring wheat belts; Bread shortage becoming more apparent in Italy; Very dry in important central Volga section; Lack of adequate rainfall affects the Danubian spring crops.

Following factors have tended to lower price:—

European crops may be slightly larger than 1937; Russia offering new crop wheat, barley and rye; Argentine weather continues favorable for new crops; India making substantial wheat shipments; Argentine wheat acreage estimate larger than last year; Manchuria plans to increase soy bean production.

BEE ESTIMATES

Although the estimated number of bee colonies in Canada 1937 increased by 20,470 (from 378,889 in 1936 to 399,359 in 1937), the total honey crop was estimated at only 21,700,000 pounds as against 28,200,000 in 1936 and the five-year average of 23,800,000.

U.F.A. Constituency Conference Held

WETASKIWIN — A successful constituency conference was held in the U.F.A. Hall, Wetaskiwin, on Saturday, July 9. The meeting was presided over by Miss Blanche Paulsen, Junior director, of Ponoka.

The principal speakers were Mrs. Ross; George Goberg, Junior vice-president, and William Runte. Mrs. Ross spoke on the value and need of adult education in a civilization becoming more complex day by day. George Goberg dealt with the need of farmers' organizations. He explained several points of the Junior U.F.A. set-up and asked for support in building up this farm organization.

William Runte, presented a report of the Canadian Youth Congress at Toronto, which he attended as a Junior U.F.A. representative.

Question periods followed each address and many interesting angles were brought up and discussed.

Tees Tattle Tales

By TATTLER

TEES. — A very pretty little wedding ceremony was performed Sunday, July 10, at Donahue, when Miss Lella Whitburn and Johnnie Hunt joined hands in matrimony. Mr. Hunt, it will be remembered, was a former High School principal here, and was transferred to Airdrie a year ago. Miss Whitburn was also a school teacher for a few years, leaving that position to take up business. During the past year, she has been with the Hudson's Bay Company, Calgary, as secretary. Several friends attended, including Mr. Tom Cunningham and family of Tees.

Roger Nelles was busy Monday morning giving away the fish he caught on Sunday at Pine Lake. He says he had no trouble whatever finding people who liked them and soon ran out of stock.

The Nebraska sports day went over very well. The hard ball game was won by Nebraska 7-5 against Salfordwood. The softball game between Tees kids and the Nebraska Public School was also taken by Nebraska with a tenth-inning rally to break an 11-11 tie. The game was hot and exciting from the start; the only drawback was the umpire—the kids had him buffaloed.

Buster Nelles, from Lacombe spent Sunday at Tees and Pine Lake helping Roger catch perch.

At Calgary Stampede, Miss Elsie Cunningham, Miss Mary Hetler and Miss Lillian Goberg left early Monday morning to take in the Stampede at Calgary. Chase, McDougall is also taking in the Calgary Exhibition.

Tees hardball club took the short end of a couple of games with Sargent during the past week, losing 12-0 at Sargent and 7-4 at Tees. The club has only one more game to play and need it pretty badly to stay in third place.

Big Field Day The big community field day on July 20 should be pretty good if the work done by the committee means anything. At present it looks like two hardball games and three softball games. In addition there will be races and games for children and a big dance at night.

Haying is getting well under way throughout the district. The crops are all looking very good and prospects for success are bright.

The official name of England's archives is the Public Records Office, and the archivist is called the Master of the Rolls.

WHEAT FOR POULTRY

More wheat is being fed to livestock and poultry in Canada. The preliminary estimate of the wheat fed or to be fed during the 1937-38 crop season amounts to 18,938,000 bushels, as compared with 15,795,000 bushels in the 1936-37 season. Heavier feeding of wheat in 1938 has occurred in Ontario, Manitoba, Alberta and British Columbia, with the availability of more wheat from the 1937 crop in these provinces than was the case in 1936.

INDUSTRY SEEKS MAXIMUM MARKETS FOR TURNER VALLEY

When crude oil was discovered in substantial quantities in Turner Valley, Canadian refiners on the prairies promptly discontinued their purchases of Montana crude so as to afford a market for Canadian production. Thus they sought to encourage a development which would result in benefit to the country at large, first by an increased production of wealth, and second, reduced prices for petroleum products to the consumer.

Obviously the amount of the price reduction varies. It is greatest in the Calgary and Edmonton areas which are the largest immediate markets of Turner Valley. In these districts it amounts to 5 1/2 cents per gallon of gasoline, with relative decreases in prices of other products.

The result of Turner Valley development in part was to bring a disastrous condition in the Montana field, which previously had been supplying crude oil to the prairies, and which were deprived of this important part of their product.

Tactful recently before the Tariff Board, F. G. Cottle, Chief Auditor of the Alberta Board of Public Utilities Commissioners, said the distress condition in Montana oil fields would be stabilized if Canadian refiners were willing to continue Montana purchases at 3,000 barrels daily. This, he said, would result in a correspondingly decreased market for Turner Valley, but any disadvantage in the advantage of a stabilized Montana market.

The fact is that the pipe lines, the railways, and the refiners are all co-operating to give Turner Valley the largest possible market and at the same time give the consumer benefit of the lowest possible price for petroleum products.

Novel Etiquette of Fifty-six Years Ago

Rules which govern decorum at present-day modern hotels make for some reading when compared with regulations enforced at the old Macleod Hotel.

A list, dated Sept. 1, 1882, set forth the following:

Spiked boots and spurs must be removed at night on retiring. Dogs are not allowed in the bunks but may sleep underneath. Candles, hot water and other luxuries, charged extra, also towels and soap. Towels are changed weekly. Insect powder for sale at the bar.

Special rates to "Gospel Grinders" and the "gambling perferish." Private entrance for ladies by ladder in the rear.

Baths furnished free, down by the river, but bathers must furnish their own soap and towels.

No kicking regarding the quality or quantity of our meals will be allowed. Those who do not like the provender will get out or be put out.

Only the regularly registered guests will be allowed the privilege of sleeping on the barroom floor.

Guests without baggage must sleep in the vacant lot and board elsewhere until their baggage arrives.

Guests are forbidden to strike matches or spit on the ceiling, or to sleep in bed with their boots on.

To attract attention of waiters or bell boys, shoot a hole through the door panel. Two shots for ice water, three for a deck of cards and so on.

All guests are requested to rise at 6 a.m. This imperative, as the sheets are needed for table cloths.

A straight charge of \$25 was made for board and \$40 for board and lodging. An additional charge of \$10 was made for a wooden bench to sleep on and \$10 for a bed.

This 'n That

QOTAWA.—From January 1 to June 16, 1938, the number of Canadian cattle exported to the British Isles was 19,092 head, compared with 3,273 head for the corresponding period of 1937.
